

Review:

- “Technology is to take what has been crafted and systematize it or make it available and accessible to all for the sake of amplifying power”
- “Technology was and is God’s Idea!”
- “Origin of technology informs its purpose. God created technology and it finds its purpose in Him.” Jake O’Marrah
- “Technology is Amoral”

Reflection Time:

- Our _____ with _____ matters.
- We must figure out how we can use technology to advance the Kingdom of God.
- Self-Reflection: Alone time
 - Check your phone and write down your daily average of screen time for this week. (under “Settings” then “Screen Time”) _____ hours
 - Are you surprised by that number? Why are why not?

 - What does this reveal about your interaction with technology?

 - Is your usage of technology drawing you closer to God or do you find it distracting you from God?

 - In what ways do you believe God is calling you to use technology for good?

 - Spend some time praying or even journaling, asking God for the grace to probably use the tool of technology for His Glory.
- Group Time:
 - Do you tend to look at technology and think that it’s bad, so you shy away from it. Or would you say you spend too much time on it and it’s a distraction? Over the past two weeks as we’ve talked about a theology of technology, what has been eye-opening for you? What has been challenging you? In what ways have you seen technology used for good in the body of Christ?

David and Goliath: The right perspectives

- Goliath and the Philistines **looked** at their army, resources, _____ and they were _____.
- Saul and the Israelites **looked** at their army, resources, technology and compared it to Goliath and they were _____.
- David saw the same thing that Saul and the Israelites but somehow had a different reaction because he was looking at something different.
- Saul looked at the equipment that Goliath had and _____ it to the equipment that he had and concludes that it's not _____. And it cause him to run from Goliath.
- David looked at the equipment that Goliath had and _____ it to what Saul had and concluded that it was too much. And it cause him to run towards Goliath
- We are the _____ conduit that God uses to fulfill his purposes in the world around us!
- Be _____ to not be so _____ with the wrong things

Main Points

- David has the right perspective. “ _____, you're bigger than me and you have better _____ than me. But you're not bigger than _____, who is sovereign over all.”
- GOD _____ technology!
- Putting God in His _____ place, will allow you to put technology in its place
- When it seems like technology is _____ over God, because men are evil, know that God's _____ will prevail!
- “God is not threatened by technology, nor is He dependent on it. Rather, He has seen fit to use it to accomplish His purposes.” Pastor Bryan
